

## RMA 453 PV

**AP**

The RMA 453 PV self-propelled, variable-speed push mower features the state-of-the-art, mono-comfort handlebar. The integrated mulch flap is easily engaged with the flip of a switch, eliminating the need for a separate mulch plug.

## RMA 7 RV

**AP**

Built with pros in mind, the RMA 7 RV is a powerful battery push mower from STIHL. Designed with durability in mind, the aluminum housing includes a front and bumper skirt, while the 2-in-1 system allows users to switch between the mulch and side discharge functions with ease.

**NEW!**  
**RMA 353**

**AP**

Features a durable 21" steel deck with 20" cutting width, brushless motor, and 4-in-1 mowing system for mulching, bagging, and side discharge.

**NEW!**  
**RMA 353 V**

**AP**

Self-propelled with variable speed and ECO mode, this mower adjusts power based on terrain for efficient performance. Features a 20" cutting width and 4-in-1 mowing system with included accessories.

**RMA 756 V**

**AP**

Built with a 72 V brushless motor for energy efficiency and long run times as well as a mono-comfort handlebar with HMI to display real-time diagnostics, the RMA 756 V is a powerful STIHL battery push mower designed for professionals.

**RMA 765 V**

**AP**

The RMA 765 V is a powerful battery-powered professional lawn mower, featuring an electric motor that runs quietly and offers energy savings with ECO mode.
