

RME 235 ELECTRIC LAWN MOWER: LIGHTWEIGHT CORDED LAWN MOWER FOR SMALL LAWNS

The RME 235 electric lawn mower comes up trumps on small lawns: a narrow 33cm/13" cutting width and a weight of only 13 kg makes it particularly manoeuvrable and easy to steer around flower beds and bushes.

The low noise 1.2 kW motor mows cleanly and efficiently. Ensuring that users are always comfortable when mowing their lawn, the RME 235 benefits from a height adjustable handle bar.

The STIHL RME 235 electric lawn mower allows you to centrally adjust the cutting height between 25 - 65 mm with great ease. The easy-open 30-litre grass catcher box boasts hassle-free emptying and benefits from an integral level indicator, which shows you when the box is full. If your lawn is under 300m² then this is the perfect electric lawn mower.

Foldable handle bars combined with carrying handle enable seamless storage and transportation.

The RME 235 is fitted with a 17m cable.
